## EPA Extends Comment Period through May 17<sup>th</sup> on Proposed Permit Renewals for Three Idaho Wastewater Treatment Plants

The U.S. Environmental Protection Agency (EPA) has extended the public comment period through **May 17, 2007** on the proposed NPDES permits for three Idaho wastewater treatment plants. These National Pollutant Discharge Elimination System draft permits are for the cities of Coeur d'Alene and Post Falls, and for the Hayden Area Regional Sewer Board. All three treatment plants discharge to the Spokane River.
